

Who are we?

K2020183515 (South Africa) NPC (trading as Save Your Local) ("**Save Your Local**", "**we**" or "**us**") is a non-profit company, registered and conducting its business in the Republic South Africa, under registration number 2020/183515/08.

We provide an online platform which allows small businesses (for example, merchants in the hospitality industry, such as restaurants and hotels) (each a "Merchant") to advertise listings of the vouchers they wish to sell to their customers during the Covid-19 pandemic.

This initiative has been designed to assist Merchants in combatting the negative financial and economic implications of the Covid-19 pandemic and continuing to generate revenue, despite the fact that they cannot currently service their customers.

Vouchers are sold by the Merchants at a discounted price and will be redeemable by customers with the Merchants directly, once the merchants are fully operational again. Vouchers are valid for a period of three years, in compliance with the Consumer Protection Act.

The contract of sale is concluded between the Merchant and its customer, with Save Your Local merely facilitating the transaction with the assistance of affiliated platforms, who assist in processing payments and issuing the vouchers.

The Merchant remains responsible for ensuring that its business is compliant with all laws, including compliance in relation to the goods and services provided against redemption of the voucher, and the validity of the voucher itself.
